Severe Service Line Haul Friction for 23K Axle Applications

- Premium severe service lining ideal for line haul, tankers, refuse, concrete mixers, buses, dump trailers, and extreme grade hauling applications
- Delivers exceptional stopping power for severe conditions under extra-heavy loads and tough terrain
- Provides exceptional fade & recovery performance at high temperatures
- Delivers excellent drum & lining life
- Meets or beats OE specs for fit, form and performance
- Select part numbers are RSD-approved
- 100% Copper-free N rating, compliant for the most stringent current copper regulations
